

# Status of Faculty Development Courses

Thank you for participating in this survey about faculty development courses (i.e. a program or courses to teach clinical or university educators in healthcare professions about teaching / didactics). The purpose of this questionnaire is to collect information on whether such faculty development programs / courses are available and if so, how they are structured. Your answers will help us to make our DID-ACT courses for educators applicable in different institutions. For more information about the project, please visit [www.did-act.eu](http://www.did-act.eu) (<https://www.did-act.eu>)

There are 33 questions in this survey.

## Personal data

At which institution and country are you working?

Please write your answer here:

What is your role / position at your faculty / school?

Please write your answer here:

## Faculty Development

Do you have a faculty development program/courses (i.e. program or courses to teach clinical or university educators in healthcare professions about teaching / didactics) at your institution or university?

🗖 Check all that apply

Please choose **all** that apply:

- Yes, at faculty/school
- Yes, at University specific for educators in the health professions education
- Yes, at University for all educators
- No
- I do not know

Yes, at faculty/school

Please choose the appropriate response for each item:

Yes, at University specific for educators in the health professions education

Please choose the appropriate response for each item:

Yes, at University for all educators

Please choose the appropriate response for each item:

No

Please choose the appropriate response for each item:

I do not know

Please choose the appropriate response for each item:

Can you please describe the details of the program (e.g. its structure, content, number of courses) and/or include links to the website / more information.

Only answer this question if the following conditions are met:

Answer was 'Yes, at University for all educators' or 'Yes, at University specific for educators in the health professions education' or 'Yes, at faculty/school' at question ' [G01Q03]' (Do you have a faculty development program/courses (i.e. program or courses to teach clinical or university educators in healthcare professions about teaching / didactics) at your institution or university?)

Please write your answer here:

Is participation in the program / courses mandatory?

Only answer this question if the following conditions are met:

Answer was 'Yes, at University for all educators' or 'Yes, at University specific for educators in the health professions education' or 'Yes, at faculty/school' at question ' [G01Q03]' (Do you have a faculty development program/courses (i.e. program or courses to teach clinical or university educators in healthcare professions about teaching / didactics) at your institution or university?)

📌 Check all that apply

Please choose **all** that apply:

- No
- Yes, before being allowed to teach
- Yes, in order to become an (associate / assistant) professor
- Other:

No

Please choose the appropriate response for each item:

Yes, before being allowed to teach

Please choose the appropriate response for each item:

Yes, in order to become an (associate / assistant) professor

Please choose the appropriate response for each item:

How many courses / hours are required?

Only answer this question if the following conditions are met:

Answer was 'Yes, at University for all educators' or 'Yes, at University specific for educators in the health professions education' or 'Yes, at faculty/school' at question ' [G01Q03]' (Do you have a faculty development program/courses (i.e. program or courses to teach clinical or university educators in healthcare professions about teaching / didactics) at your institution or university?) *and* Answer was NOT 'No' at question ' [G02Q05]' (Is participation in the program / courses mandatory?)

Please write your answer here:

Who are the facilitators of the faculty development courses and what are the requirements to be a facilitator?

Only answer this question if the following conditions are met:

Answer was 'Yes, at University for all educators' or 'Yes, at University specific for educators in the health professions education' or 'Yes, at faculty/school' at question ' [G01Q03]' (Do you have a faculty development program/courses (i.e. program or courses to teach clinical or university educators in healthcare professions about teaching / didactics) at your institution or university?)

Please write your answer here:

Are there specific requirements for a course certificate so that the participants can get credit for their participation? If, would you please describe them?

Only answer this question if the following conditions are met:

Answer was 'Yes, at University for all educators' or 'Yes, at University specific for educators in the health professions education' or 'Yes, at faculty/school' at question ' [G01Q03]' (Do you have a faculty development program/courses (i.e. program or courses to teach clinical or university educators in healthcare professions about teaching / didactics) at your institution or university?)

Please write your answer here:

## Requirements

Do you have **national** requirements, regulations, or recommendations for faculty development programs in terms of teaching formats, duration, etc.?

📌 Check all that apply

Please choose **all** that apply:

- Yes
- No
- I do not know

### Yes

Please choose the appropriate response for each item:

### No

Please choose the appropriate response for each item:

### I do not know

Please choose the appropriate response for each item:

Please describe the national requirements and/or include resources for more information.

Only answer this question if the following conditions are met:

Answer was 'Yes' at question ' [G02Q08]' (Do you have national requirements, regulations, or recommendations for faculty development programs in terms of teaching formats, duration, etc.?)

Please write your answer here:

Do you have **local** (e.g. university or institutional level) requirements, regulations, or recommendations for faculty development programs in terms of teaching formats, duration, etc.

📌 Check all that apply

Please choose **all** that apply:

- Yes
- No
- I do not know

**Yes**

Please choose the appropriate response for each item:

**Please describe these local requirements and/or include resources for more information**

Only answer this question if the following conditions are met:

Answer was 'Yes' at question '[G03Q10]' (Do you have local (e.g. university or institutional level) requirements, regulations, or recommendations for faculty development programs in terms of teaching formats, duration, etc.)

Please write your answer here:

**No**

Please choose the appropriate response for each item:

**I do not know**

Please choose the appropriate response for each item:

**DID-ACT Curriculum**

Please take a look at the outline of the DID-ACT train-the-trainer courses at <https://did-act.eu/knowledge-base/quick-start-guide/> (<https://did-act.eu/knowledge-base/quick-start-guide/>) (teacher-level column):

**What information about the learning units for teachers do you find helpful?**

Please write your answer here:

**Do you see any learning unit(s) you find interesting for your faculty development program and why?**

Please write your answer here:

**Do you find the information presented for each learning unit helpful or less helpful and would you like to see other/additional information?**

Please write your answer here:

**If you see a learning unit of interest - what would be the next steps for you to integrate it into your faculty development program / courses?**

Only answer this question if the following conditions are met:

Answer was 'Yes, at University for all educators' or 'Yes, at University specific for educators in the health professions education' or 'Yes, at faculty/school' at question ' [G01Q03]' (Do you have a faculty development program/courses (i.e. program or courses to teach clinical or university educators in healthcare professions about teaching / didactics) at your institution or university?)

Please write your answer here:

**If you see a learning unit of interest - what would be the next steps for you to offer it to your educators?**

Only answer this question if the following conditions are met:

Answer was 'I do not know' or 'No' at question ' [G01Q03]' (Do you have a faculty development program/courses (i.e. program or courses to teach clinical or university educators in healthcare professions about teaching / didactics) at your institution or university?)

Please write your answer here:

**General**

**How is the decision process about integrating new courses / learning units into the faculty development program in general at your place?**

Only answer this question if the following conditions are met:

Answer was 'Yes, at University for all educators' or 'Yes, at University specific for educators in the health professions education' or 'Yes, at faculty/school' at question ' [G01Q03]' (Do you have a faculty development program/courses (i.e. program or courses to teach clinical or university educators in healthcare professions about teaching / didactics) at your institution or university?)

Please write your answer here:

**Do you have any other comments or suggestions:**

Please write your answer here:

Thanks very much for completing this survey! Your answers are very valuable for us! If you are willing to share a template of your faculty development certificates with us, that could further help us in ensuring that DID-ACT courses can be applied in many different institutions. In this case, please just send us an email at [info@did-act.eu](mailto:info@did-act.eu). Thanks!

Submit your survey.
